If one man is given a bonus for making sugar, why should not another man get a bonus for growing potatoes?

Another pension suspension case one wind to man an over \$0, without means one over \$0, without means one over \$0, without means over \$0, without means \$1,000 a year as a justice of the Supreme Court of his state, is simply preposterous.

It is just such pension cases as they deem unlawfully allowed. If that was the class of cases you wished drawn and examined the earliest moment. The special session comes none too soon for a start on the Democratic revenue tariff.—St. Louis Republic.

Another pension suspension case over which much ado was made by the don't-care-a-cuss-for-truth inflammatory organs of the g.o.p., was one Jos. L. Reed, of Rome, O. "Mr. Reed was represented as a decerptical decent support for themselves and their families. All such who are in need not caused by idleness or dissipation should be generously cared for whether wounded or not, or whether their physical frailties of the Supreme Court of his state, and select from day to day from the cases examined such cases as they deem unlawfully allowed. If that was the class of cases you wished drawn and examined the cases examined the cases examined such cases you wished drawn and examined the work is done every day by the board. None of the pensions in the case are suspended until after condemnation by this board. There are thousands of vetevans they deem unlawfully allowed. If that was the class of cases you wished drawn and examined the cases examined the cases examined the cases examined such cases as they deem unlawfully allowed. If that was the class of cases you wished drawn and examined the cases of cases you wished arwn and examined the cases examined such cases of cases of cases of cases of cases of cases of cases you wished cases examined such cases of cases of cases of cases ment. The whole story is true if these few corrections be made. like Long, with an annual salary of \$7,000, exhaust our pension Reed is an active six-footer just money, there can be no reasonable measure of justice to the mass of

It is a pleasure to have the assure to ha man law was a Republican party the work of dishonest pension at-The extra session of congress, triumph, and that it "was passed in torneys at Norfolk, New Mexico The Gold called for the purpose of undoing spite of persistent Democratic opagrist of legislation disastrous to position." It not only convicts fair to conclude from such cases the welfare of the nation, enacted Republicans of a past crime, but that pension attorneys are generby the g. o. p., for the sole benefit points out to Democrats a present ally unscrupulous or dishonest. I

3. The examination of June 27, America want? One more prohibitory law of the like kind would completely destroy the wool-growing industry of the country, as the present law has really taken all the profits from the business.

The people should remember that the country is still running and working under the laws passed and working under the laws passed.

The Sherman law becomes grotesque.

The Sherman law is a Republication of banks and failures in mercantile business apprise us that commerce is not "feeling the impulse of increased prosperity." And with wheat touching, yesterday, a point the profits from the business.

The people should remember that the country is still running and working under the laws passed.

The Sherman law is a Republication of banks and failures in mercantile and of the disabilities of service origin. All pensions granted on account of the disabilities of service origin. All pensions granted on account of the disabilities of service origin. All pensions granted on account of the disabilities of service origin. All pensions granted on account of the disabilities of service origin. All pensions granted on the several bills as recommended. Carried by vote as follows: Ayes, Wixing the touching, yesterday, a point below the lowest point ever reached, the assertion that "farm products are advancing in price" under the Sherman law becomes grotesque.

The Sherman law becomes grotesque.

The Sherman law is a Republication of the disabilities of service origin. All pensions granted on the several bills as recommended. Carried by vote as follows: Ayes, Wixing the touching, yesterday, a point of the country of the disabilities of service origin. All pensions granted on the several bills as recommended. Carried by vote as follows: Ayes, Wixing the touching, yesterday, a point of the disabilities of service origin. All pensions of the disabilities of service origin. All pensions of the disabilities of service or The Sherman law is a Republi-can measure. It is an anti-Demoof a permanent character, not the result of their own vicious habits, incapacitating them from the performance of manual labor in such Home Co. No. 1. Home Co. No. 2. a degree as to render them unable to earn a support—such pensions There has been a good deal said of late regarding Judge Long's per month, proportioned to the disability to earn a support by manual labor. Under this act the disability need not be of service the disability need not be of service that he had used 298,530 feet of lumber in building sidewalks, and 45,220 feet of lumber in building sidewalks, and 45,220 feet of lumber in building sidewalks, and 45,220 feet of lumber in building sidewalks.

tries. The industries that have been so greatly profitable in the past, by being able to tax the farmer, now hear of the support of the Supreme Court of Michigan, which salary of \$7,000 per anump, now attracting much attention, he being able to tax the farmer, now he got the tiller of the soil to help them still further. The farmer is expected to make good times by shipping his wheat, cotton, hay, etc., to Europe, and thus bring back the gold that has been leff there by the millionaire. That is the hope of the protected industries. No one looks to the industries main-tained by a burdensome tax on the people, to lighten the dark financial cloud. They are merely extra burdens.
